1. Welcome

Miss Whiteley and Savanna (Chair) welcomed everyone to the meeting.

2. Christmas Jumper Day

Miss Whiteley asked the council for an update on this event and if it had been approved. Lilianna and Keira advised that it would be taking place but they did not have a date confirmed.

Action: Lilianna and Keira to agree a date with Mrs Stott.

3. Recycling Team

Following the workshop that School Council representatives attend Miss Whiteley asked them for ideas of how we could recruit a team of children to be responsible for promoting recycling in school. The members discussed about designing an application form and interviewing candidates and how many there should be in the team and what year groups should be invited to apply. After a lengthy debate it was decided that children from KS2 could apply and the team size would depend on how many wanted to be on the team.

The council then talked about the types of jobs that the team could do such as making sure that every class had a general bin and a recycle bin and that they were being used properly.

They suggested that we could get some bins that could be used for fruit peelings and have one in the playground and one in the hall. The contents of which could be put in the compost bin. It was also suggested that monitors should be in the hall encouraging children to eat all of their lunch to try and reduce the amount food wasted.

Action: To create posters to advertise the recycling team and to produce application forms.
